

Instant Messaging

Have faster conversations with instant messaging. Our connection tool gives you more ways to engage with talent for your short and long-term goals.

Instant messaging offers:

- **Speed**
Contact active professionals as soon as you discover them
- **Simplicity**
Send a message directly from search and application results
- **Transparency**
Build two-way conversations with users registered on our platform

The screenshot shows a 'Recruiter's Hub' profile for Katherine C. Gronkowski, a Recruiter at Finance Recruiters, Inc. The profile includes a '65% Complete your profile' indicator, a 'Share profile' button, and a 'Get PDF of profile' button. The 'About' section contains a summary, work email (PTKalin@gmail.com), office and mobile numbers (420 987 618 293), and location (Prague, Czech Republic). The 'Hiring needs' section shows a post titled 'Hiring Now' with a 'Meeting with candidates this week!' update and a 'VP Data Engineering' job listing. A 'Status update' from 1 day ago mentions helping 26 finance professionals.

Discover talent then accelerate your hiring by establishing more personal connections. Use together with your Recruiter profile to build credibility while engaging with your pipeline
